

Modern slavery is a crime and a violation of fundamental human rights. It takes various forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which have in common the deprivation of a person's liberty by another in order to exploit them for personal or commercial gain. We have a zero-tolerance approach to modern slavery and we are committed to acting ethically and with integrity in all our business dealings and relationships and to implement and enforce effective systems and controls to ensure modern slavery is not taking place anywhere in our own business or our supply chain.

To comply with the requirements of the Modern Slavery Act incumbent upon the organisation, West Control Solutions will perform the following: -

- Ensure that all staff employed at the premises have knowledge of and access to the “Speak up” service as provided by Fortive. www.fortive.ethicspoint.com 0800 890011 1 855 846 6726
